

THE "RL24" OWNERS' ASSOCIATION OF AUSTRALIA

NEWSLETTER NOVEMBER 1974

- \* Hi Folks ! Here I am with a little more goss'.
- \* Membership now stands at 54, which is quite remarkable, as our Association is not one year old, and it would appear that the "RL24" is one of the fastest growing Sailing Classes in Australia.
- \* The Queensland Championships are to be held at Southport over the long week-end, (January, 25th and 26th). All registered Boats are welcome. Please contact me at P.O. Box 1001, Southport, 4215. Phone: Gold Coast 37 1656, area code 075. Nomination fee is \$5:00.
- \* An Association General Meeting will be held during the Queensland Championships. All financial Owners' are invited.
- \* Indications are that 8 to 10 RL's will be competing in the South Australian 'Tripolis' at Port Pirie. This 115 mile three day race is strongly recommended and anyone interested should contact the Secretary, Royal Port Pirie Yacht Club, P.O. Box 116, Port Pirie, S.A...5540.
- \* 1975 National Championships and Gold Coast week will again be conducted in August at Southport and should be bigger and better than our inaugural Champs'. Full details will appear in our next bulletin.  
Any State interested in conducting a National title in the future should apply to the Association, as it is the policy of this Association to encourage the rotation of Championships and Management.
- \* Quite Spectacular results can be obtained by correctly tuning your Boat, and in many instances where Boats are well tuned and sailed, they are virtually unbeatable in mixed fleets of Trailer Sailors in all conditions, and to help those wishing to get the best out of their Boat, we have enclosed a sheet which is worthy of study.  
Our Motto for the month....."Give them hell with an RL".

JUNE LEGG  
HON. SECRETARY.
