QUEENSLAND RL24 ASSOCIATION NEWSLETTER APRIL 1988

Dear Members,

Our recent State Championships were very well attended and I am sure that everyone enjoyed themselves, despite the terrible weather. We had 16 boats participate as well as a few spectator boats. The new handicap system was applied and can now be updated with the times that are available. We hope to perfect this handicap system so that it is fair to all RL24's, irrespective of their model, but judged more on sailing ability. In the future we hope to recommend this handicap system to be used in National Titles.

Results are enclosed to those boats that participated, and available to anyone that requests.

The New State Championship was won by KANDYMAN sailed by skipper John McAulay and crew Kevin Brown, Margarate McAulay, Kim Brown.

The Fastest RL24 in Queensland was won by F-TROOP sailed by skipper Dave Parmenter and crew, the Kornbrooker brothers and Willy William.

The Fastest Swing Keel RL24 in Queensland was won by AQUILA sailed by skipper George Tarratt and his family as crew.

Congratulations to all the winners and thank you to all who attended the series and gave the Qld RL24 committee their support. Along with all our associations members, we have proven that there is a need for an RL24 Association in Queensland.

NEWS FROM A.G.M.
