Dear

I am writing to all the RL24 owners in Queensland who have supported our Association over the past few years. As you are aware we are hosting the Australian Championships at Christmas to be held at Lake Cootharaba. These Championships are to be run with an Australian Drop Keel Champion and a Australian Swing Keel Champion.

Our Association is endeavouring to hold a very competitive and successful titles. To do this we would like to have as many boats there as possible. We had 18 boats at our last Queensland Championships and we would hope that at least these 18 boats from Queensland will again be on the water.

We would hope that you and your crew will again support us by participating in the Australian Titles. We would especially like to see the Swing keels out in force. Please come along and enjoy some great racing and show the Queenslanders out in force.

Regards
