### **Rob Legg Memorial Sail**

The first day of the RL24 Nationals regatta will be a Memorial Sail for all RL class owners to honour the class designer Rob Legg. This day is open to all RL24 Nationals entrants and non-entered **RL24s, RL28s, RL34s, RL8** and **Status** classes. The Memorial Sail will be followed with onshore celebration held at SYC Hollywell Sailing Squadron. RL families, friends and visitors are invited to attend this event. The Memorial Sail shall start directly opposite the Clubhouse at Holywell at 1230pm (briefing notes to be sent to all participants who have registered) followed by BBQ and drinks at the club until around sunset.

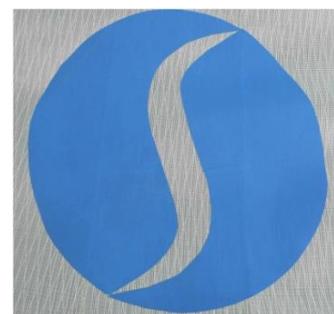

Come and be a part of this wonderful day, launch your boat at any nearby ramp, (note there will be no room to launch at SYC Holywell on the day unless you have entered the 50<sup>th</sup> Nationals) sail down from Brisbane or anywhere else around the area. Help make this a day the Legg family will love to remember, and show them the number of great people involved in all these classes.

**Please Note: This sail is not run by the SYC, they have kindly allowed us to use their premise for this occasion, there will be other classes using the club at the same time that we will need to be mindful of.**

Everyone intending on participating must fill in the registration below to help identify numbers for catering purposes and how many boats are expected to be on the water. The Legg family are kindly covering BBQ costs, drinks will be available from the club at bar prices. If you are intending to come with or without your boat, please fill in the form below.

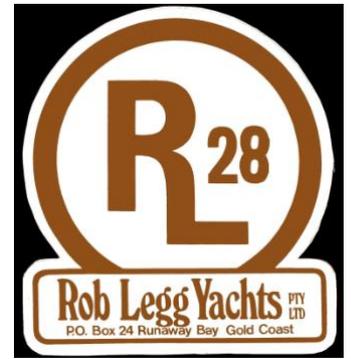

**Please Note:** RL24 skippers and crew that are entering the 50<sup>th</sup> National Championships are automatically registered for the RLMD, you are only required to fill in this form for non-crew members who will be attending.
