Rob Legg Honorary Sail Past

The first day of the RL24 Nationals regatta will be a celebratory Sail Past for all RL class owners honouring the class designer Rob Legg, who we are hoping can be present. This day is open to all RL24 Nationals entrants and non-entered **RL24s, RL28s, RL34s, RL8** and **Status** classes. The sail past will be followed with onshore celebration held on the picturesque RQYS Boardwalk overlooking the harbour where the participating boats will pass through with their pennant flags arranged. Families, friends and visitors are invited to attend this event. The Sail Past shall run from 1330 – 1430 hours, and then drinks and nibbles on the Boardwalk and Lawn until around sunset.

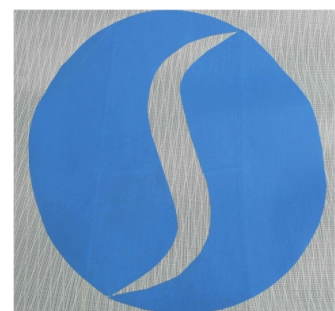

So, come and be a part of this wonderful day, launch your boat at RQYC, sail up from the Gold Coast or anywhere else around the area. Help make this a day for Rob Legg to remember; great people with a similar interest and passion for the class.

Everyone intending on participating must fill in the registration below. The cost will be \$20 per boat. If you are intending to come without your boat it will be \$5 per head or \$20 per family to cover catering costs and drinks will be at bar prices.

Please Note: RL24 skippers and crew that are entering the 46th National Championships are automatically registered for the RLD, you are only required to fill in this form for non-crew members who will be attending.
