Two races remain in the Hobsons Bay Brass Monkey Series. 5th & 19th of September. This series has attracted a big fleet of RLs:-very recently, Street Car, which has been purchased by Len Rippingale a member of W.T.Y.C. Happy sailing Len. An invitation to all RL24 owners to sail is again extended. Appearance at the starting line flying a blue pennant is all that is required. 2PM start. Please contact Graham Askew for details- 03 306 3294. He would be pleased to hear from you.

Results of RL24 NATIONAL TITLES January 1981

Sailing in very light conditions on the Hume Weir, Peter Yeoman of NSW steered Street Car to a win in the RL Nationals. Second was Warren Walters QLD in Sundance, and third Bruce Castles VIC on Pegasus. The breezes ranged from no wind to 4-6knots, with one or two short bursts at 12-15. The fleet standard in these conditions was excellent. In the six hour long distant race less than 30 minutes separated 26 RL's.
