Dear RL24 Owners,

A group of RL24 owners who are members of the Lake Cootharaba Sailing Club, have decided to reform a Qld. RL24 Association. We intend to hold a State Title Annually, with the first being at Lake Cootharaba Sailing Club over Easter 1988.

We consider a need for this association because of the popularity of this boat and also because of its racing capabilities.

We held a meeting on the 20th June and elected temporary officers and set fees and made suitable arrangements, so that other owners can be contacted and the association get started.

The fees were set at \$8 per owner with a \$2 boat registration fee. That is a total of \$10 per owner. Crew members fees were set at \$4 per person.

We hope that the response will be good to these fees and that you will join the Queensland association. We believe that a very successful State Titles can be held at Easter and we hope to have many boats from all over the state. I will be sending out regular newsletters to keep everyone informed.

Please give us your support and return the membership form that is inclosed. An A.G.M. has been set for the 18th July at 11am at the Lake Cootharaba Sailing Club. We hope that if possible you will be able to attend. If you have anything that you would like discussed and you cannot attend, please let me know. If anyone is interested on that day scheduled for the A.G.M., there is a winter series race at Lake Cootharaba. All visitors are welcome and the race starts at 1pm, followed by a B.Y.O. bar-b-que. We would love to see a few RL's come to both the meeting and the race.

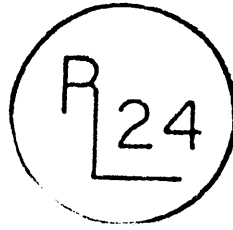

Regards
