QLD. RL24 ASSOCIATION NEWSLETTER

P.O. BOX 131

PALMWOODS .Q. 4555

Dear Members,

It was decided at the last Executive meeting to send out another newsletter to all members before Christmas to keep everyone informed of the Associations progress.

We have been in contact with the National body, who have asked us to forward several items of information to all our members. I have enclosed this material with this newsletter. They have also asked for our assistance with the updating of the National Register. I will be forwarding to them a copy of the boats on our register. If anyone knows of any boats that would not be on this register, and are located in Queensland, could you please let me know a name and address. This would greatly assist me in contacting Queensland owners who may wish to be members of this association. When I first wrote to owners of RL24's, the only list of addresses that was available was the list that I obtained from Bob and June Legg. Any help would be appreciated.

Our Race Officer, Ken, has been making progress on the formation of a Handicap to be applied to our State titles. The more times that are available the fairer the handicap. If anyone can assist with times for either your own club racing or club regattas, could you please forward these to me as this will greatly assist Ken with his job.

We have purchased Poplin Iron-on insignias. They consist of the RL24 logo with a map of Queensland and are black and white. They are on sale for \$2.80 and are very good Quality.

There has been no response to the query of location of State trophies. Again, if any one can assist please contact me.

We have had several people enquiring about RL24's for sale, so if you have boats for sale please let me know.

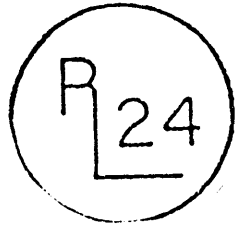

For Sale ; "Gray Pointer" : Mark II : New 4hp Mercury motor :
Fully Battened Main, 3 Jibs, 1 spinnaker. \$13,000

Contact :- M.Gray 071 853196

If anyone has any Questions about the Association I can be contacted
Tel: 071 459790.

Genny
(Secretary)

QLD. RL24 ASSOCIATION

PALMWOODS...Q... 4555

Dear Members,

Just thought that I would keep everyone informed as to the progress of our Association.

HANDICAPS : Ken, our Race Officer, is making progress working out a suitable handicap that hopefully will suit all participating in the forthcoming State Titles in Easter, 1988. A sail measuring weekend for any boats interested and are in close distance to Lake Cootharaba, will be held over the 26th and 27th September, at Boreen Point. Anyone with any queries about this weekend can contact Ken on 07 376 1996. We only expect locally situated boats to attend.

TROPHIES : I have no response to the whereabouts of past State Trophies. Please if anyone can assist me, please do so. If we cannot find these trophies would anyone have any suggestions as to possible trophy donors. Bob and June Legg have kindly agreed to help with the trophies but further donations will be helpful.

ACCOMMODATION FOR THE STATE TITLES : As you may be aware, Boreen Point is a very popular place for holidays and this local Lake Cootharaba sailing club will be hosting several State Titles. With this in mind I have listed the various contacts for accommodation that are available.

Camping :- Council Caravan Park no electricity (no Bookings)
Iverglades caravan park...electricity (071 853217)

Units Lakeside Lodge (071 853127)

Sunshine Art Gallery units (071 853153)

Geoff Elliott Peality booking (071 853155)

Boats for Sale : Anyone knowing of any boats for sail or sailing equipment (RL24 of course), please let me know as we would like to compile a comprehensive list, which in turn will help to promote this class.

KENTUCKY FRIED CHICKEN MONOMASTERS : Lake Cootharaba Sailing club presents this annual event on the 17th & 18th October, 1987. It is usually a very successful weekend and we would love to see a few RL24's participating. It is a great family weekend and would be good practise for the State Titles.

Regards
Genny Garrad- Secretary/Treasurer
