

OLD. RL24 ASSOCIATION

NEWSLETTER

THE QUEENSLAND RL24 ASSOCIATION NEWSLETTER

SEPTEMBER 1988

Dear Members,

I apologise for the delay in this newsletter but I have been waiting for the National Newsletter so that I could forward this on to all the members. I have enclosed the National Newsletter and also a copy of the financial statement of our Association.

SEASONS FEES are now due and your kind attention would be appreciated. Forms were enclosed with last newsletter but if there is a problem, please feel free to contact me. (071 459790)

Q.Y.A. Affiliation has been paid for our Association.

NATIONAL TITLES 1989 are to be held at Lake Wellington, Victoria from the 7th to 14th January.

STATE TITLES 1988 are to be held at Lake Cootharaba over Easter so keep the date free on your calendar. I will advise more as the details are made final.

WINTER SAILING. During the off season there has been two events that I have been associated with in which the RL24's did quite well. The first was the annual Bay to Bay, held from Tin Can Bay to Hervey Bay. 26 RL24's participated in this race and was the largest class entry out of 200 boats. Our class results were very favourable and competitive to the boats in our division. The RL24's were also out in force for the annual Wintersun which was held from Runaway Bay to Morton Bay. The class times from this race were also very good.

BOATS AND EQUIPMENT FOR SAIL. I receive quite a few phone calls inquiring about boats and second hand sails. As you could understand the boats as well as the sails are quickly snapped up, so I would appreciate members keeping me informed of items for sale. I also pass information onto the other state associations.

NEW MEMBERS. At present we have 35 boats on our register and I hope to enlarge on this considerably this season. I would appreciate members spreading the word about the association and also the state titles. With the 16 boats that we had participate in the state titles in 1987, we did the state class well and we should be able to improve on that even more.

FORTH COMING RACES . If anyone has information on race events for RL24's, please let me know and I will endeavour to include them in the Newsletters. There is only one that I know about at this moment in time and that is the Kentucky Fried Chicken Monomasters and Surfair International Trailer sailer Series to be held at Lake Cootharaba on the 15th & 16th October. I can be contacted about nominations if anyone is interested. Fees are \$12 and \$20 for beach Nominations.(3 race series)

CHANGES TO CLASS RULES. Please note the following changes that were set at the National A.G.M. 7/1/86.

- RULE 9.1. Number of sails
To delete the words in brackets (one suitable as a storm jib)
- RULE 7.3 Foam in the Mast
To delete this rule entirely.

I found an old advertisement for an RL24 and I have included it as I thought that the price might be of interest.

FOR SALE (1974-75)

RL24 - Fastest trailer sailer- and the biggest ! - in Australia. Sails as fast as the International Dragon. Sensational performer. Designed on Gold Coast by ex-Melbourne boat builder Rob Legg and built in fibreglass. Hull ready to rig sell for just over \$2000. Complete boat fully rigged sell for under \$5000.....etc.....

Interesting price!!!!

That is all for this newsletter. I hope that all members have a fine start to the new sailing season. I have been given some interesting articles on tuning and sailing and I will include one of these in the next newsletter in November.
